President’s Message

I am so happy to be communicating with you all from my new position as President of the Alumni Association. Regardless of when you graduated from the University Of Utah College Of Pharmacy, you are the recipient of a degree that sets you apart from many other pharmacists. The University of Utah has been known for many years as a leader in pharmacy education. If you are not aware of the work done by the Alumni Association, I would like to challenge you to become more involved. The Alumni Association exists to support the academic mission of the College, provide scholarship support for students as well as educational support for practitioners.

We try to introduce a bit of recreation into the mix from time to time as well, as represented by the annual College of Pharmacy Alumni Golf Tournament and the upcoming Shakespeare and CE opportunity in Cedar City. These are opportunities to network, learn and have fun. The golf tournament, even with some challenges presented by Mother Nature, was a great opportunity to see old friends and colleagues and enjoy the company of other pharmacists. The only problem we are encountering is getting enough of you to join in the fun! I challenged those who attended the tournament to make an earnest plan to invite one team per person to join the tournament next year. Our goal will be to fill out the participant list to 36 teams next year. Please, if the mid-week schedule makes it impossible for you to attend, or if you have other suggestions that would make your participation easier, please let me know. We would like to accommodate the majority of those interested in supporting the event.

And you still have time to sign up for the Shakespeare and CE. There will be a couple of great educational offerings by experts in their fields, Abby Atherton and Dave Young. I hope to see you all there. Registration is available on-line now!

There are a lot of Alumni out there. The College has been educating the highest caliber pharmacists for many years. Please make this the year that you get involved, and participate in giving back to the institution that made your professional life possible! I look forward to seeing and hearing from many of you in the near future!

Tina Aramaki

Thai Clerkship highlighted in ASHP newsletter

The March 28, 2012 edition of “ASHP Intersections” included an article about the University of Utah College of Pharmacy’s clinical clerkship in Thailand. This clerkship is headed by faculty member Gary Oderda and allows several College of Pharmacy students to experience pharmacy practice in Thailand. The article included comments from several of the students who had experienced the clerkship.

The full-text of the article is available on the ASHP website. http://www.ashpintersections.org/2012/03/university-of-utah-thai-clerkship-a-life-changing-experience/
The Alumni Association Annual Golf Tournament was held at Stonebridge Golf Club on Tuesday, June 5th. The tournament was a success despite Mother Nature and her awesome winds and temperature drop midday. Forty-three golfers participated in the tournament. The course was challenging particularly after the winds picked up. A continental breakfast was served during registration and then a great luncheon was provided for the awards part of the tournament. Tina Aramaki, Alumni President, was Master of Ceremonies for the Awards.

The first place team winner, with a score of 58, included Jason Dunn, Paul Dunn, Dave Bjornn and Ron Andrus. The second place team winner, with a score of 59, included Jeff Gatzemeier, Jameson Rice, Tyler Faux and Cruz Edgington. Congratulations to both teams!! The longest drive winner was Travis Snow and the closest to the hole was Darrell Clarke. Congratulations to both of you.

The raffle prizes continue to be great! There was a golf bag won by Mark Munger, Jeff Lewis won the Odyssey putter and Tina Aramaki won the Titleist pitching wedge.

Plan on attending next year for a great round of golf, camaraderie, good food and great prizes! Watch the Alumni Association Website for date and details.
Keith W. Macdonald, RPh, has been named 2012 Honorary President of NABP for his exemplary service in protecting the public health and significant involvement with the organization. A long-time resident of Carson City, NV, Macdonald began his career in his father’s store Muller’s Drug, later opening his own store, The Drug Center, in 1965. He served the public for 25 years in retail pharmacy, and later sold his stores to become the chief of the Nevada Medicaid Program and later a deputy administrator for the Nevada State Welfare Division. From 1988 to 2005, Macdonald served as Executive Secretary for the Nevada State Board of Pharmacy. As Executive Secretary, Macdonald participated in the Nevada Prescription Controlled Substance Abuse Prevention Task Force, the National Association of State Controlled Substance Authorities, the Alliance of States with Prescription Monitoring Programs, and served as a facilitator and resource person for the National Alliance for Model State Drug Laws. After retiring as executive secretary, Macdonald served the Board as a member from 2005 to 2011, serving as Treasurer from 2010 to 2011. He is currently a pharmacist for Wal-Mart Stores, Inc, in Carson City. Macdonald earned his Bachelor of Science degree in pharmacy from the University of Utah College of Pharmacy class of 1958.

Sponsor A White Coat

As you may or may not know, the College of Pharmacy has a White Coat Ceremony every fall for the incoming class. The students are given a professional white coat with their name embroidered on it and each signs a student Pledge of Professionalism.

This year, the Alumni Association is seeking sponsors of the white coats for the 60 students. With a $50 donation, you will be providing the white coat for one of the new students. You may sponsor more than one student, if you wish to do so.

You can donate directly at: www.pharmacy.utah.edu click the “Give to the U” button and choose the College of Pharmacy Alumni Association Operations Account. Your donation is tax deductible.

As a sponsor, you will be provided the contact information of the student and the student will be provided your contact information. You will be invited to attend the White Coat Ceremony and meet the student you are sponsoring and we hope you would act as a mentor through the incoming student’s academic pharmacy experience. are concerned about their success.
ANNOUNCEMENTS

Only You Can Help Us! For those alums who graduated in the last five years, the College needs your help. By now, you should have received an email for an AACP survey. Usually, this survey is used internally to make changes to the PharmD program or help the alumni association in their endeavors, but this year, it will be used for the College’s accreditation. This accreditation process essentially keeps us a school of pharmacy or not, so your input is very important. The AACP alumni survey should take around 20 minutes and will remain completely anonymous. We encourage your honest feedback, whether good or bad so that we can improve our PharmD program and our services to you. Thank you in advance for your participation. If you have any questions, please contact Meagan Rockne (meagan.rockne@hsc.utah.edu or 801-581-7046).

Welcome to new Alumni Association Board Members:

Frances Mielach and Richard Ensign are two new Board Members.

If you are interested in serving on the Alumni Association Board, please contact Tina Aramaki or Marion Lennberg 801-581-7503
