September 8, 2010:
The Annual Student-Alumni Softball Game

The game will be at the Sunnyside Park at 840 South 1600 East (on the corner of Sunnyside Avenue and Guardsman Way) in Salt Lake City.

Please come and support the Alumni team as we take on the students. We want to continue the Alumni’s current win streak!

For questions, please contact Jeff Olson jeff.olson@imail.org or Benson Sederholm benson.sederholm@hsc.utah.edu.

If you would like to participate on the Alumni Association Board, please contact COPAlumni@umail.utah.edu

The University of Utah College of Pharmacy Alumni Association has a mission to help uphold the mission and aims of the college, provide a means for networking among College of Pharmacy graduates, and serving the profession of pharmacy throughout Utah. The Alumni Association Board sponsors several events with these goals in mind.

During the winter months, the Alumni Association provides discount tickets to a University of Utah basketball game. In 2011, the Alumni Association will join forces with the Utah Student Pharmacist Alliance (USPA) to host the annual dinner and auction to raise funds for USPA, scholarships and the Maliheh Free Clinic. The annual College of Pharmacy golf tournament is held every June and Shakespeare CE is offered every August. With the start of school in the fall, the alumni versus students softball game is held.

Several awards are given each year to deserving nominees.

°Dean L. David and Janet C. Hiner Distinguished Pharmacy Alumnus of the Year Award
°The Honorary Alumnus of the Year Award
°Alumni Association Outstanding Senior Award

As a board, we continue to look for ways to help alumni reconnect. Our professional lives are certainly occupied by every increasing demands in the workplace. “Do more with less,” has become a consistent theme. We hope to see you at some, or all of these events. Reconnect with former classmates, reestablish associations with professos and the college, and find opportunities to serve and give back.

We hope to see you at the Shakespeare CE in Cedar City, UT and at future Alumni Association sponsored events.

If you are interested in serving on the Alumni Association board, please contact: Jeff Olson (jeff.olson@imail.org) or Marion Lennberg (marion.lennberg@pharm.utah.edu).

“Do more with less,” has become a consistent theme. We invite you to join us some, or all of these events.
