Dear University of Utah PharmD Students!

If you are currently enrolled or entering the Pharmacy School at the University of Utah, we encourage you to apply to our current intern positions. You will gain hours towards your program requirements, earn a respectable hourly wage, have flexibility with your work schedule, and work with a very bright team of pharmacists to gain work experience. Please reference the job description below.

If interested, please apply in person during our regular business hours (M-F 9am-8pm, Sat 9am-5pm).

Summary
An intern pharmacist is responsible for, under the supervision of licensed pharmacists, checking prescription orders as they are filled by the technician staff, checking for possible harmful interactions among patient(s)' drug therapies, completing record-keeping duties, overseeing the completion of prescription orders, and providing patient counseling.

Duties & Responsibilities

- Help patients and healthcare providers by greeting them in person and by phone; answering questions and requests.
- Verifying technicians’ preparation and labeling of pharmaceuticals; verifying order entries, assembly, charges, and inspections; assist pharmacy technicians as needed.
- Order, sell, and control other stock pertaining to patient medical needs.
- Achieve knowledge base of compounding sufficient to check compounded prescription orders and counsel patients under the supervision of a pharmacist.
- Provide pharmacological information by answering questions and requests of health care professionals; counseling patients on drug therapies and medical equipment.
- Perform immunizations.
- Comply with state and federal drug laws as regulated by the state board of pharmacy, the Drug Enforcement Administration (DEA), and the Food and Drug Administration (FDA)
- Protect patients and pharmacy staff by adhering to infection-control protocols.
- Maintain safe and clean working environment by complying with procedures, rules, and regulations.
- Contribute to team effort by accomplishing related results as needed.
- Perform other duties as assigned.

Minimum Qualifications
Enrolled in PharmD program by Fall Semester 2018

Physical Requirements
Good hand-eye coordination, ability to use a computer keyboard, fax machine, communicate by telephone, and lift up to 30lb.

Appearance
Casual business attire that reflects positively on University Pharmacy, with a lab coat and name/position visible to the public is required. Frayed or torn clothing, and open toed shoes are not permitted.
